THE KEY

The key of education opens the doors which lead to halls of opportunity in future life. Each time an individual advances in knowledge, that knowledge becomes another key which opens another door. Education is a priceless possession for which many strive. The opportunity for education is yours to use in whatever walk of life you may choose. Continue adding to your knowledge that it may open the door on wonder, glory, joy and contentment, peace with yourself and the world.

The pages of our Forester, reflect the faces of many students, whose experiences this year are preparing them for the opportunities in future life.

DEDICATION

We dedicate this Forester to Evergreen's first graduating class — the class of '59.

In 1955 the school first opened its doors as a Junior High. The Freshmen of that year are now Seniors. They have been the upperclassmen for four years. This has presented a challenge which they have accepted.

Evergreen and the class of '59 started together and have grown together. Now the dream of this class is complete. Evergreen is a full-fledged high school. They can look back to those first green growing years with honor and pride, remembering the programs and activities in which they took part.

The Forester would like to pay tribute to the Seniors of '59 who have so faithfully served their school and set standards for those who are to follow.

The administrators, faculty and parents play a big part in making our school what it is today. They are always ready to help fulfill the needs of students and take interest in their activities. Evergreen students are fortunate in having the support of these devoted people.

TO THE CLASS OF '59—

If the record of your years at Evergreen is a prognosticator, we will have cause to be always proud of the first group to be graduated from here — the Class of 1959. We can say "Good Luck to You"; because we know that luck comes to those who have earned it — through hardships and privations you have not hesitated to endure; the long hours you have devoted to study and work; the constructive and cheerful spirit you have always maintained.

"One pound of learning requires ten pounds of common sense to apply it." You have the learning. We think you have the will to apply it.

Good luck to all of you!

Highline Schools

Our schools depend strongly on public support and interest. Dedicated citizens have devoted much of their time to us.

The P.T.A. is a group of parents and teachers which is interested in the program and problems of Evergreen students. Under this year's able officers, this group did much to further pupil, teacher, and parent relationships.

The Highline School Board is faced with ever increasing burdens in this rapidly growing district. School building needs, personnel problems, and financial budgeting are only a few. This hard working group richly deserves our gratitude.

SECRETARIES: Marilyn Natermas, Mary Fitch, Grace Ester.

THESE PEOPLE MAINTAIN THE SCHOOL

The secretaries perform many varied tasks during one day. They keep track of the finances, do all the secretarial work, and can always be counted on to give cheerful and willing help to students, faculty, and visitors.

Our hard working cooks prepare and serve meals which are both economical and delicious. During the past school year they have served approximately 126,000 lunches.

The custodians strive to keep our school clean and warm. They make sure the furnaces are running, the plumbing is working and maintain all school equipment.

Without these people our school could not possibly operate efficiently.

CUSTODIANS: Don Baxter, James Casey, Clarence Bakken, Bill Bentz, Harold Stegriy.

COOKS: Lola Townsend, Sadie Teller, Gladys Santos, Jean O'Brian.

CLASS OF '59 REACHES GOAL

In the past four years, the class of 1959 has enjoyed the privilege of creating and building patterns of government, leadership, and conduct in a new school. They have accepted the challenge of setting up lasting traditions for Evergreen. During the year of 1958-59 they have had after game dances, the Senior Ball on December 20, the senior cruise, and the excitement of senior week and graduation exercises. The class officers, advisors and committees played a large role in making this big year a great success.

With thoughts of these wonderful times fresh in their minds they will be starting to plan their careers, and set out to achieve their goals.

EVERGREEN
SENIOR HIGH SCHOOL

The Class of 1960 was headed this year by a group of able officers. Along with the class advisors, they kept busy planning fund raising activities, after-game dances, and their big social event of the year, the Junior Prom.

This year's junior class looks forward to an active 1960. As Evergreen's second graduating class, they will be in charge of additional activities such as Homecoming, along with those responsibilities assumed by this year's seniors.

SOPHOMORE CLASS IS SCHOOL'S LARGEST

The largest class of Evergreen this year is the Sophomore Class. They sponsored few activities this year, but look forward to many. Their big event this year was the annual Sophomore Tolo February 14. Activities were planned with the help of the officers: President Paul Romero, Vice president Marty Wright, Secretary Jean Freeman, Treasurer Barbara Miltimore, and Sergeant of Arms Howard Dowdell. The advisors Miss Ross, Mr. Clowers, Mr. Robeck, and Miss Reddekopp helped guide this class along. We have faith that this class will be very active in the years to come.

GOVERNMENT PLANS FOR THE FUTURE

Every school desires to have self government and with the help of Student Council Evergreen has obtained this. Student Council is led by our Student body officers and projects are planned with the help of representatives. These representatives are sent by each first period class so every student can have his ideas and complaints sent to Student Council. The plans can also be brought back to the students this way.

The activities of Student Council include meetings, assemblies, elections, and publicity of school events. The goals which we try to reach are:

1. To authorize and control all student organizations within the school.
2. To aid in the development of desirable school spirit and loyalty.
3. To promote better relation and understandings among students.
4. To assume responsibility and experience in self government.

Our officers for 1958 were President, George Thomas; Vice Presidents, Annette Hamre and Ted Bottorff; Secretary, Corlee Campbell; and Treasurer, Pat Morrow. Our new officers are President, Dan Connelly; Vice Presidents, Susan Leaf and Jim Jean; Secretary, Sharon Carlton; and Treasurer, Kay Crotty. With the help of Mr. Dahl these officers have led the school in reaching for our goals.

GIRLS' AND BOYS' CLUB

The Girls' Club is for all girls who attend Evergreen.

The advisor Marie Smith helps the officers of the Girls' Club to plan their annual dance in March, their style show in October, elections in December, installation in January, Girls' Club Puget Sound conference in November, and the main social activity of the season, the Mother-Daughters Tea.

The purpose of the Girls' Club is to promote and guide the Evergreen School spirit, serve and foster activities in the best interest of Evergreen and guide and assist the members of the club in maintaining the highest social, moral and intellectual standards.

The officers of the Girls' Club are: President — Rita Minor, Vice President — Julie Anderson, Secretary — Sharon Johanson, Treasurer — Georgia Cameron, Historian — Bev Bates.

These officers, with the members have helped Evergreen High School Girls to live up the purposes of the club.

Sue Davis	Vice President 1959-60
Gerry Gulbranson	Secretary 1959-60
Sharon Bottger	Treasurer 1959-60
Carla Kessner	Historian 1959-60

The Boys' Club purpose is to promote fellowship and improve citizenship of all boys as well as to stimulate pride in themselves and the school.

Evergreen Boys' Club has sponsored many activities this year, such as the Boys' Club dance on November 21. Everyone had a lot of fun at this dance, even a goat named "Susy," who was part of the scenery for the barn-like atmosphere. Another activity was an assembly held on October 21, which featured John Fish, a member of the University of Washington's crewmen, who spoke on his experience in Russia. The Boys' Club also sponsored a field day in the spring.

It would not have been possible for the Boys' Club to sponsor many activities during the year, if it had not been for the capable leadership of President, Jerry Osman; Vice President, Bill Miltimore; Secretary, Paul McDonald; Treasurer, Bruce Syrstad; and the advisor, Mr. James Dorr.

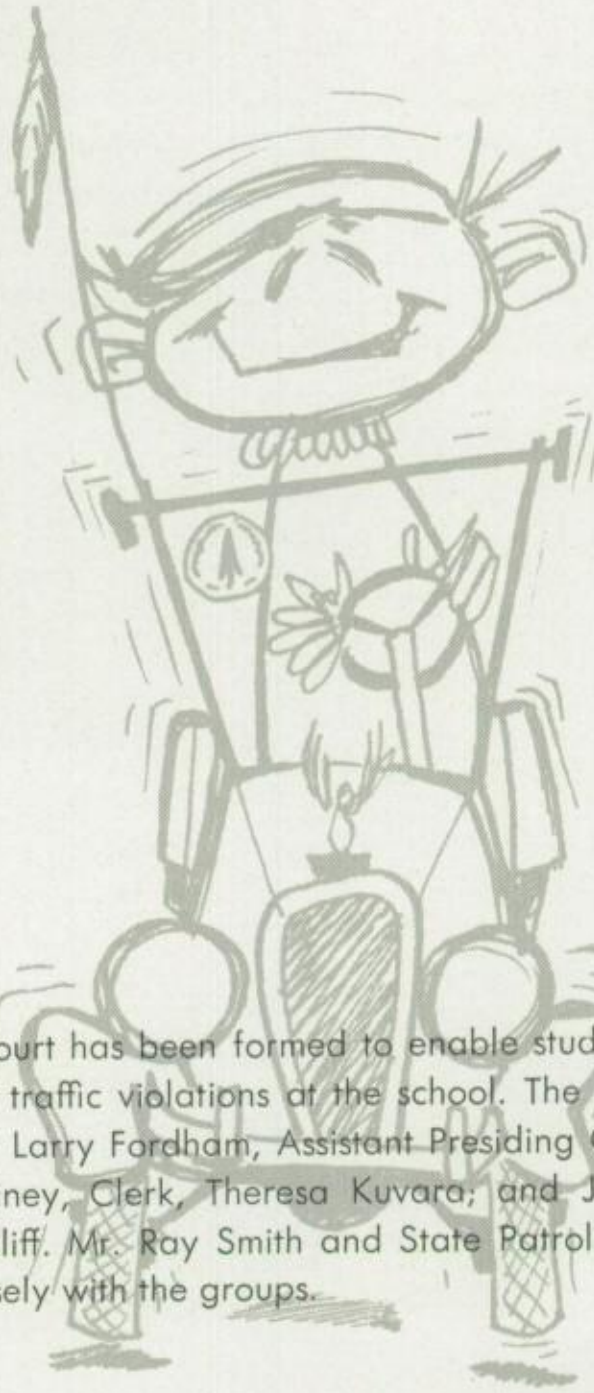
SAFETY COUNCIL — Mr. Smith, Advisor; George Toskey, Bill Bessey, Carla Kessner.



SAFETY IS OUR BUSINESS

The Evergreen Safety Council is a newly formed organization, whose duty is to promote safety among the students. Their biggest job this year, however, has been issuing permits to students who drive cars to school. Working closely with the Traffic Court, they have conducted car checks and issued decals to those whose cars pass the State Patrol Safety Check. The Safety Council is led by George Toskey, Chairman; and Diane Thacker, Secretary.

The Traffic Court has been formed to enable students to take care of traffic violations at the school. The Presiding Officer is Larry Fordham, Assistant Presiding Officer is Mike Rainey, Clerk, Theresa Kuvara; and Jerry Purdy is the Baliff. Mr. Ray Smith and State Patrolman Darby work closely with the groups.

SPAR TREE CHAPTER SERVES EVERGREEN

Spar Tree Chapter of the National Senior Honor Society held a initiation early in the year. Old and new members now total over eighty in number. To be a member a student must display scholarship, character, leadership and service. Scholarship is earned by the grades one receives. To have service, one must have credits earned by doing a service to the school. A committee of teachers make a decision on a students character and leadership. In January new officers were elected. They are President, Ken Christy; Vice-President, Paul McTaggert; Secretary, Margaret LeMay; Treasurer, Mary Whalen; and Publicity Chairman, Margo King. Miss Lois Baldwin is a willing advisor. Popcorn sales and dances were money-making projects, which helped make possible the presentation of a scholarship to a worthy senior at graduation.

Sure, We'll find you a seat!

WOLVERINE GUARD — WE SERVE

Under the direction of Mr. Dorr, Wolverine Guard has done a lot to improve the citizenship and conduct of all the students. They have quite a job to fulfill which includes ushering and crowd control at all our home games and assemblies. They also have various other jobs around the school which include keeping the grounds in neat, clean condition.

The goal of this club is serving the school and with the help of the officers, Chairman John Leslie, and Secretary Bill Bessey they have realized their goal this year.

SPADES — WE DIG

A newly organized club this year is Spades. Their activities include regular meetings and workshops which are held to make toys for handicapped children. They also take trips to schools for handicapped children. Spades interest is based upon helping these people. Among outside activities are the annual all city dance, Concalves, Council meetings and Pal Parties. The sponsors of Spades are Kiwanians. Evergreens advisor is Mr. Hedstrom, Kiwanis sponsor Mrs. Leland Henderson, and officers are President Diane Straley, Vice President Barbara Morrison, and Secretary Dorothy Seim.

WASCOWITZ COUNSELLORS — WE GUIDE

Camp Waskowitz is a district owned camp where sixth grade students are taken to study conservation and outdoor life. High school students interested in working with children, and who like camping are chosen to be junior counselors. It gives the high school students a great experience in working with others. Evergreen has many students interested in this activity.

STUDENTS GAIN EXPERIENCE

OFFICE GIRLS

The office girls work in the office as a class, for which they receive full credit. They receive practical office experience typing, filing, and answering the telephone. These girls are a big help in the efficient operation of the office.

LIBRARY STAFF

The students in the Library Club are comprised of student volunteers and students taking library as a class for credit. With the advisor Mrs. Stuber, these students help other students find books to read, or to use as references.

THROUGH SERVICE TO OUR SCHOOL

CLINIC STAFF

One class period a week these girls supervise our school clinic. They are ready to help anyone who comes to the clinic. The girls on the clinic staff are supervised by our school nurse Mrs. Hogan, and faculty advisor, Miss Baldwin.

BOOKSTORE WORKERS

The bookstore is a supply store for the students of Evergreen. Students can buy anything they need in the line of school supplies at the bookstore. Mr. Hedstrom, advisor, has student volunteers selling supplies to the students.

THE SHOW MUST GO ON

If it were not for these two organizations our assemblies, games, and planned programs would not run as smoothly as they do.

The Stage Crew works behind the curtains to see that everything is in order. They operate the lights, the curtains and the PA system. They do almost everything but put on the show.

The Tickettes work out in front, selling and taking tickets at the door.

Thank Mr. Wagness for his advisory work with these clubs. These groups have helped the "Show Go On."

The students interested in nursing as a career meet together and share that interest with the "Future Nurses of America."

The members along with their advisor Mrs. Eleanor Hogan and officers — President, Sylvia Moon; Vice President, Anisia Khvoroff; Secretary, Carolyn Perdue; and Treasurer, Shirley Dick; explore the opportunities and requirements in the field.

These girls grow as individuals by working together and learning about the community life in which they will soon participate as informed citizens and possibly nurses.

This organization volunteers hospital service. They attend field trips to schools of nursing, and other medical institutions.

The Future Teachers Association is an organized active group which provides information and experience which will help students to learn more about teaching as a career.

The club's officers include President, Sally Christy; Vice President, Pat Morrow; Secretary, Rosie Pinto; Treasurer, Priscilla Smotherman; Librarian, Dena Schlichtig; and advisor Miss Nightingale.

This year they took a field trip to the Seattle University campus where they observed a class of deaf children. To help build our scholarship funds, they have served refreshments for PTA meetings. They also attend movies related to teaching.

A scrap book has been constructed with information on all Washington State Colleges which offer training in teaching.

PHILELLENES STUDY

The purpose ot the Philellenes is to promote interest in the classics, to benefit by the practical application of knowledge of the classics, and to enjoy the cultural advantages associated with the study of the classics. This purpose is carried out very well by this club which has taken on many other projects.

They earn money from car washes, candy sales and other money-making projects. Out of this money they gave 10% to the Student Body Fund to help erase their deficit. At Christmas, the Philellenes went caroling, after

which they held an installation of the new members. At the annual Latin Club Banquet, they presented several books to the school library. In June, they presented a scholarship to a graduating senior from a scholarship fund they set up.

This club with Virginia Nerheim as advisor has accomplished many things and provided fun and service to the school and to the community.

Club members enjoy the annual Roman Banquet.

SPANISH CLUB PROMOTES FELLOWSHIP

Gaining knowledge about our neighbors to the south helps us to understand more about their problems and mannerisms. This promotes fellowship between our country and theirs.

The purpose of this organization is to develop interest in students to learn more about Spanish customs, language, and culture.

This year the Spanish Club has sponsored many activities including a large dance and a picnic held in the spring. The members have also had the opportunity to hear many speakers who have made a study of the lives and customs of Spanish speaking people.

Under the leadership and guidance of Mrs. Smith, these outstanding officers represented this club. President, Toby Curd; Vice-President, Sue Davis; Secretary, Mike Baker; and Treasurer, Jean Freeman.

VOICES ECHO IN DEBATE

The ability to think clearly, make wise decisions and to influence others by the oral presentation of ideas has played a very important part in the history of this world ever since people began to live and work together in groups and communities. It is impossible to imagine a single day in our lives when we are not affected by the thoughts and arguments of others.

Debate students are acquiring poise and the ability to think and speak fluently. The word Debate originally meant to beat, and with the vigilant help of Miss Bryant this squad has learned the art of persuasion.

Our debators participated in all Puget Sound League debates for the first time this year. The topic for discussion was "Resolved that the American System of Public Education Be Fundamentally Revised." Our Debate squad took part in all types of speech-making contests this year.

They worked hard to attain high honors in the Tournament for Speechmakers at the University of Washington in November 1958, at Seattle Pacific College on January 30 and 31, and at the speech contest held at Pacific Lutheran College in February, 1959.

SCIENCE AROUSES INTEREST

The Science Club of Evergreen High was started this year. Their purpose is to promote interest in science and to increase students' knowledge in scientific fields.

During the year they viewed many films and heard speakers. They also have taken field trips to the Boeing Wind Tunnel, University of Washington Bagly Hall; and participated in the science fair.

The officers of the Science Club are Garet Thompson; Joe Bossi; and Barbara Knaack.

During the meetings, led by officers Dan Gordon, Ilene Knapp, and Mike Andrews, the members have contacted many other ham operators on their set, with the aid of Mr. Lind.

Y-TEENS BUILD FRIENDSHIP

The S.E.A. Y-Teens of Evergreen High is a club that is sponsored by the YWCA. Its purpose is to build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians. In this endeavor we seek to understand Jesus to share His love for all people, and to grow in the knowledge and love of God.

The S.E.A. Y-Teens sponsored very interesting activities. They participated in the World Fellowship carnival with English tea and crumpets as their theme. They also sponsored a dance.

The officers of the club are Karen Shaw, Gaye Craven, Sharon Hayett, Susie Dunn, Susan Leaf, Darlene Martin, and Roberta Taylor.

CAMERAS IN ACTION

The purpose of the photo club of Evergreen High is service. Their job is to take pictures of various activities. These include pictures of annual, dances, newspaper, and school activities.

They have taken field trips this year and have had many other outside activities.

PRACTICE MAKES PERFECT

Under the direction of Mr. Mark Van Gasken the Evergreen band has realized many accomplishments this year.

In the fall, exciting and stimulating halftime shows for the football games were provided by our band. Next came the Seattle Christmas Parade, in which our band took part and was awarded a trophy for its participation. Then, with the coming of the basketball season, many enjoyable tunes were played at the pep assemblies and games. Also, a winter and a spring concert were given which entailed hours of preparation.

The band and its director should be thanked generously for their work.

G. A. A. DRAWS MANY SPORT ENTHUSIASTS

Through the Letter Girls' Club, many participants have found an outlet for their athletic interests. They learned that sports were not entirely for males only.

Sports turnouts were held on a voluntary basis after school each Monday, Tuesday, Thursday, and Friday. Activities included trampoline, badminton, volleyball, tumbling, basketball, swimming, bowling, softball, golf, hiking, and skiing. Points were given for attendance and each girl had an opportunity to work for a letter. It was the aim of Letter Girls' to promote good sportsmanship, create interest in athletics and to offer a variety of sports to those interested.

Activity-days held at many Puget Sound League schools drew many Wolverine players. Evergreen was host to the schools in February when everyone participated in the basketball sports day.

The officers of Letter Girls' are President — Kay Rockwell, Vice-President — Gerry Fenton, Secretary — Carol Sweet, and Treasurer — Carol Rockwell. GAA and Letter Girls' are under the able advisory of Miss Elliott and Miss Thomson.

SKI FEVER STRIKES EVERGREEN

"The bus is coming, grab a seat!" — and off they go to the highest snow peaks during the ski season. What's so fascinating about gliding down a hill on two boards? Mainly, the sheer thrill of speeding down over the clean snow, wind tearing at your face and coming to a halt in a spray of snow at the bottom. The high solitude of the winter mountains, the wis-s-s-s of steel edges and hickory as you shoot past the blur of trees is a real thrill. All this is provided by Jim and Joy Lucas, owners and instructors, of the EVERGREEN SKI SCHOOL, introduced to our students this year. At the end of the season skiers share a nice healthy tan and enthusiasm for the sport.

Meet Joy and Jim Lucas!

Promoting school spirit in the form of music, is our song staff under the supervision of Miss Pat Thomson.

The song staff, along with the other organizations, has helped to maintain high standards, and good school sportsmanship throughout the student body.

The co-operation and enthusiasm of our student body, has given other schools a fine impression of Evergreen.

GOOD SPORTSMANSHIP IS THE PEP CLUBS AIM . . .

The Pep club has been responsible for the raising of our school spirit before the games. This club has done a fine job in assisting the cheerleaders and making the posters before all the games. Their two greatest achievements were the rooter busses and the pennant. This club has become one of the large clubs of our school under the advisorship of Mr. Six.

ACTIVITY IS OUR MOTTO

The Evergreen Panorama is sponsored by the Highline Recreation Council and the Evergreen P.T.A. This club is very active in such sports as hiking, swimming, horseback riding, skating, sailing and skiing. Refreshments, films, guest speakers, displays, and other attractions are offered at the club's many meetings. New members are always welcomed to our club and we hope to see many new ones next year.

Y. F. C. ORGANIZES AT EVERGREEN

The Youth For Christ Club was organized by a group of Evergreen students interested in a High School Christian Activity. The purpose of the club is twofold; to provide a spiritual activity for those interested, and to offer a Christian witness to those not active. Looking forward to the coming school year, the Y.F.C. is hoping to welcome even more students into this Christian Activity. Officers include: Marie Mullen, Pres.; Sue Henderson and Anesia Khavoroff, Veeps; Dixie Webley, Sec. and Joan Lind, Treas.

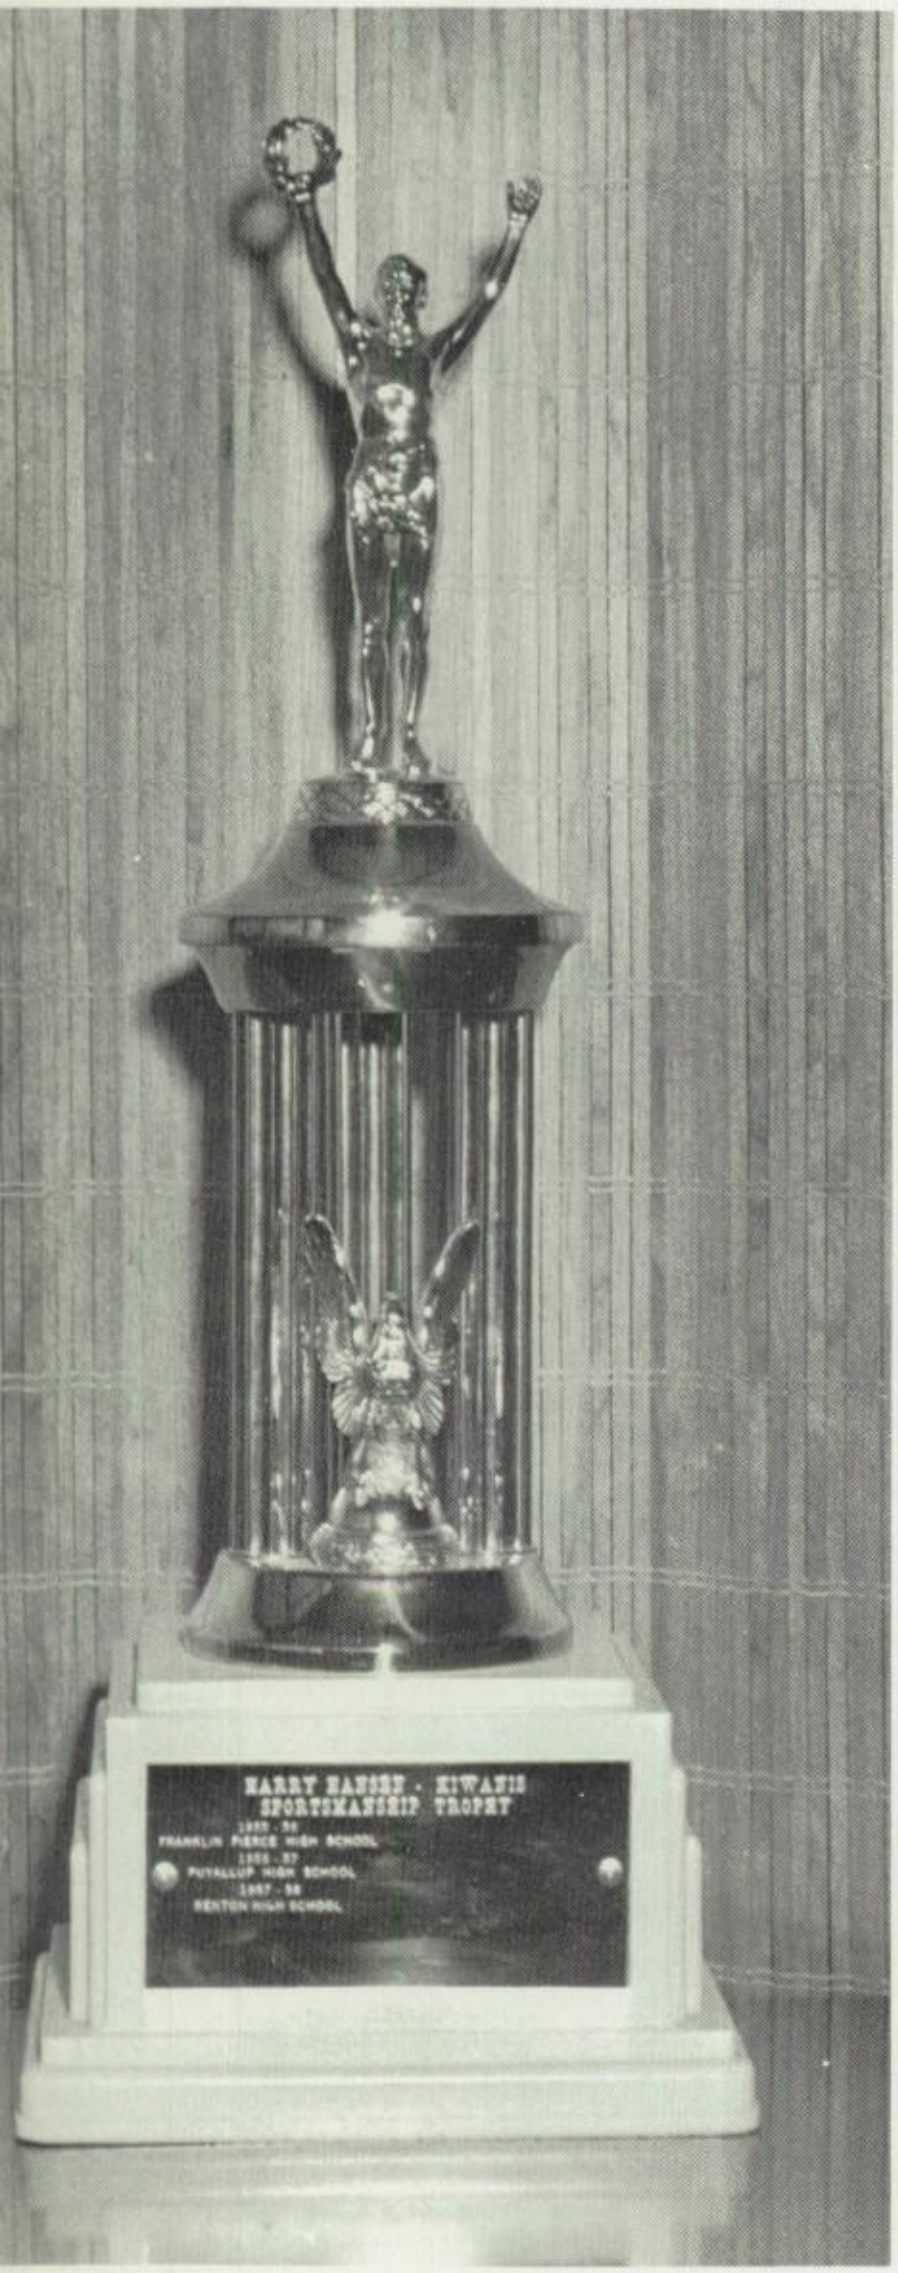
EVERGREEN PRESENTS A FUN-FILLED VARIETY SHOW

On February 5 and 6, Evergreen talent presented the annual Variety Show.

The Ladies' Historical Society was holding its Annual Banquet. After a short business meeting, an unusual variety of entertainment was beheld. Much to the ladies amazement they were whisked to the days of the silent screen. There they were fortunate enough to be present for the final episode of "Tarzan of the Apes" and a portion of the "Shaky Sheriff of Simmeron Sity."

Next Dr. Shysters entertained everyone with his Magical Kickapoo Medicine Show, bringing a score of talent between the commercials. The show was invaded by an Anti-Alcoholic League which broke up the proceedings.

Winding up the show and to everyone's delight, came the Showboat with its cargo of entertainment and fun. A spanish dancer, cancan line, and quartet added to the excitement.



EVERGREEN WINS COVETED AWARD FOR OUTSTANDING SPORTSMANSHIP

The Harry Hansen Trophy was originated four years ago by the Puget Sound League.

Four years ago Evergreen was also originated, and the students have always worked to show good sportsmanship.

This year Evergreen students were indeed thrilled by the news that they had been chosen from among all the Puget Sound League schools to receive the coveted sportsmanship award.

The award is not for skill in athletic ability, not for the numbers of games won or lost, not for the agility or striking costumes of the cheerleaders.

It is rather concerned with the attempt of all these groups in a combined single purpose to maintain the high standards of sportsmanship which have been set by the Puget Sound League.

FOOTBALL '58

WOLVERINES ENTER PUGET SOUND LEAGUE

The 1958 football season marked the inauguration of the Evergreen Wolverines into the Puget Sound League. The Wolverine eleven managed to win only one of nine games, but coaches, sportswriters, and fans throughout the league voiced their respects for the determination and endless spirit the green and white team displayed. Coach Ray Smith predicts a bright future on the Evergreen gridiron because of the tradition of competitive attitude and spirit left behind by the graduating seniors. The following senior boys, Tom Knapp, Mike Knapp, George Pittenger, Jerry Osman, Larry May, Dan McKay, Dick Sims, John Leslie, Dick Sample, Larry Fordham, Gordon Paris, and Mel Oishi, battled for three years the odds of opening a new school. Their display of self sacrifice, hard work, loyalty and team spirit has been an inspiration that will guide future Wolverine teams.

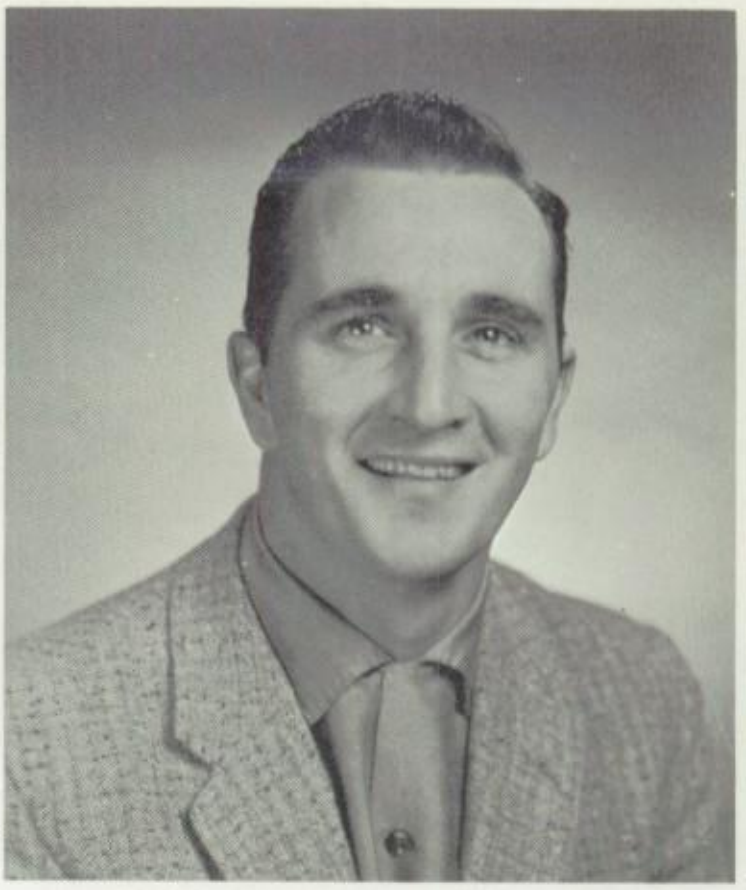
COACH RAY SMITH

Mr. Smith was graduated from Central Washington College in 1950. In 1950-51 he coached at Foster High School where his team won the State Mythical Class B Championship. In 1952-53 he coached at Renton High School and in that year was also chosen to coach in the All-State Game. From 1953 to 1955 he coached at Highline High School.

At Evergreen he has consistently produced teams which abound in spirit, determination, and good sportsmanship.



THESE ARE 1958's GRIDIRON LEADERS

CO-CAPTAINS

John Leslie

John entered Evergreen in 1955 and has played football all four years. His handling of the team on the field showed know-how and determination.

Jerry Osman

This marked Jerry's fourth year on the Wolverine team. His leadership abilities and knowledge of the game won him his appointment as captain.

INSPIRATIONAL AWARD WINNER

Mel Oishi

Mel played Quarterback on this year's team. He has been a member of the Evergreen squad since 1955.

Mel was voted 1958's Inspirational Award winner by his teammates who felt his attitude and spirit best exemplified the Evergreen tradition.

The season opener against the Sumner Spartans proved a shocking loss. The Evergreen team pushed Sumner up and down the field in the first half, led by John Gambill's amazing running and two touchdowns. The Wolverines went in at halftime leading 12—7. The second half found the Wolverines still in command but unable to push the ball across the goal line as Sumner gained the winning touchdown.

The next week Puyallup and Evergreen met on Viking Field for one of the hardest fought games of the season. In the end, the Vikings proved too much for the Wolverines and won 12—0.

In the third week of the season, the Wolverines finally struck pay dirt against the Auburn Trojans. The running and passing of Jim Jean and John Leslie rung up 26 points on the scoreboard. The Trojans were left scoreless.

Enumclaw 6, Evergreen 0; Clover Park 26, Evergreen 0; as the Wolverines went scoreless for 2 weeks.

Kent Meridian 26, Evergreen 13 was a game which saw the home team lose two touchdowns by a penalty and a fumble.

The long awaited Highline-Evergreen game ended in a 26—7 win for the Pirates.

The final game of the season was played against the Renton Indians, league champions, and the Wolverines played their best, holding Renton to one of their toughest games.

There were times in the season when the scores might have been disappointing, but never was anyone ever disappointed in the effort. This is a team that will always be remembered by Evergreen students because there were the first, and because they showed the way of spirit and loyalty.

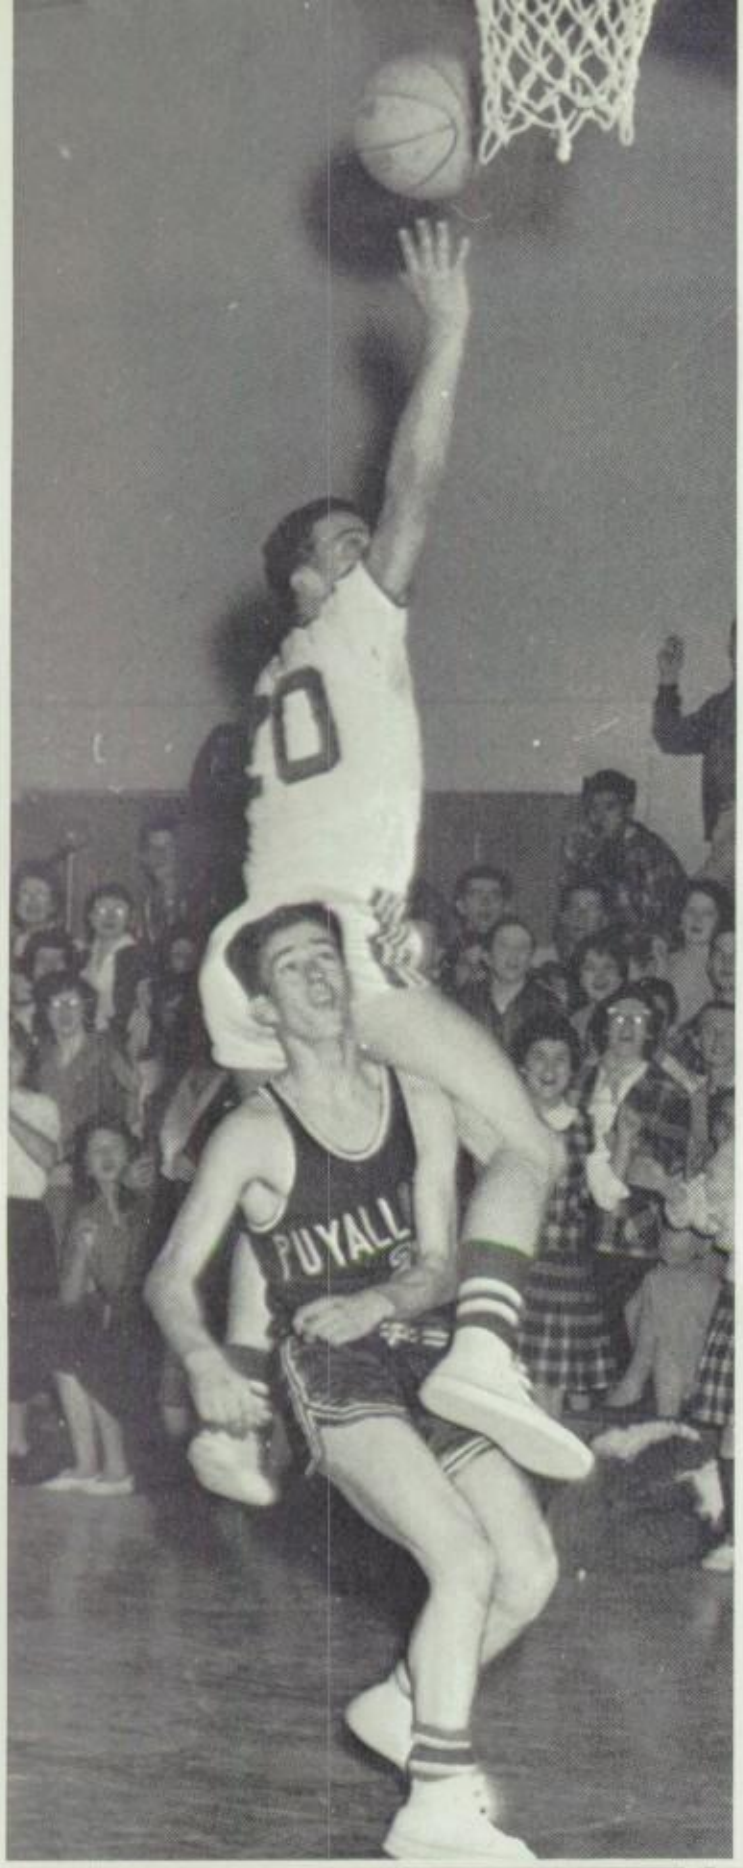
BASKETBALL '58—'59



HOOPSTERS IN FAST COMPANY

Last year's Lakeside league champions entered the Puget Sound league for the first time this season. The season was initiated much as the previous season's games in that the first two games went into overtime. Last year seven of the Wolverine encounters were overtime games.

The Green and White found themselves in much faster company in the Puget Sound league. The Puget Sound league placed three teams in the state basketball tournaments.

The most exciting ball games of the season were the encounters with O'Dea, Auburn, Sumner, Enumclaw, and Puyallup.

The season finale wrapped up the careers of the following seniors: George Hooten, Mike Knapp, John Leslie, Paul McTaggart, Jerry Osman, Stan Redmond, Dick Sample and Captain George Pittenger. Senior managers on the squad were: Phil Trainer and Dennis Holm.

Juniors back for another season are: Bill Bessy, John Gambill, John LeCompte, Jim O'Connell, and Larry Slinker. John Gambill led the team in scoring with 337 points. This placed him third in the Puget Sound league scoring race.

George Hooten was voted the most improved player on the team.

Paul McTaggart was voted by his teammates the Inspirational award winner.

The Evergreen basketball team was proud to have played an important part in the winning of the Sportsmanship trophy.

Coach — Mr. Bing Dahl

Mr. Dahl, Evergreen basketball coach graduated from Washington State College in 1949. In this, his fourth year at Evergreen, he guided our players through their first season in the tough Puget Sound League. Under Mr. Dahl's training our team has developed skill, displayed determination and set standards of sportsmanship for future teams to follow.

FINE COACHING DEVELOPS SKILLS, SPIRIT

Paul McTaggart — Inspirational Award

Paul McTaggart left vivid impressions of Evergreen spirit and sportsmanship. He was voted inspirational award winner by his fellow teammates because of his accomplishment in inspiring enthusiasm and courage.

JUNIOR VARSITY PLAYS EXCITING OVERTIMES

Evergreen's '58-'59 Junior Varsity Team had a season's record of three wins and sixteen defeats. The squad had many close games with exciting overtimes. They displayed steady improvement, and are promising players for next year's Varsity Team. They were ably coached by Mr. Jim Robeck.

TRACK TEAM DISPLAYS

Evergreen's track team displayed considerable improvement during the 1958 season when all but one of the school records were broken. The highlight of the Wolverine season was John Gamill's entry in the Washington State Track Meet in the high jump and broad jump. He was one of the only two sophomores to place in this big meet when he captured a fifth place in the broad jump. Other outstanding performers were Clint McKay in the pole vault and mile run; Larry Slinker in the hurdles; Mike Knapp in the 440 and discus; George Miller and Jack Sather in the sprints; Arnold Franks and Hugh Criswell in the high jump; Harold Gehring, Stan Redmond, Harold Perantie and Bill Miltimore in the distance runs; and Dennis Mutton in the weights.

At the time of this writing, the track future of the Wolverines looks brighter. With the nucleus of returning lettermen is a strong contingent of sophomore and junior aspirants. Evergreen's first Annual Interclass Track Meet in 1959 was won by the sophomores paced by Howard Dowdell and Dick Kelly. A feeling of hopeful optimisn prevails among the squad members as they run into Puget Sound League Competition for the first time in 1959.

BASEBALL TEAM WARMS UP FOR 1959 SEASON

As the '59 Forester went to press, the baseball season had not yet begun. Turnouts were vigorous, however, as members of last year's squad and hopeful aspirants looked forward to Puget Sound League competition. Coached by Mr. Dahl, the boys have made good showings in previous seasons and show a great deal of promise for this year.

TUMBLERS DEVELOP BALANCE AND TEAMWORK

Our newly organized tumbling team coached by Mr. Dorr, is an interesting addition to the schools intramural program. These boys have achieved real progress in balance, stamina, teamwork, and timing through their weekly practice. They have also entertained at half time during the basketball season.

STUDENTS FIND RECREATION IN INTRAMURAL PROGRAM

Evergreen boasts an outstanding intramural program. Many students participate in the activities offered. Supervised sports such as basketball, volleyball, badminton, tumbling, swimming, bowling, and golf provide recreation and friendly competition. Miss Thompson and Miss Elliott are supervisors of girls activities. Mr. Vandeburg and Mr. Dorr are active in the boys' intramural program.
